

A Champion Team

Scott Pilgrim

L
TCROSSWAY

Where do you serve?

What do you love about
where you serve?

What excites you about
Crossway this year?

“A team of champions
will win some games,
but a champion team
wins premierships!”

“Coming together is a beginning, keeping together is progress, working together is success.”

Henry Ford

The Bible points to the power
of teamwork with many
different images ...

At the heart of the Crossway
story is Team Crossway.
A champion team!

How can we keep growing as
a champion team?

1. Champion our values

Nothing matters more!

There's room for you.

Everyone gets to play.

Dare to dream.

Take nothing for granted.

As Team Crossway
members we are called
to live out our values
day to day...

“Words on a wall gathering dust... or passionately expressed in the attitudes and actions of the value carriers.”

2. Champion encouragement

“Encourage each other and
build each other up!”

1 Thess 5:11

Discouragement in all its forms - **negativity, criticism, put downs, gossip, cynicism, cheap shots** always has only one result for teams.
It kills them!

Encouragement does the exact opposite! It builds others, it builds team, it fuels Kingdom outcomes!

3. Champion honour

Honour everyone, honour the
family of believers, honour
God, honour the King.

1 Peter 2:17

What does it mean to honour
each other on Team Crossway?

Honour - up

Honour - down

Honour - across

Loyalty looks good on you ...

Loyalty is attractive!

Proverbs 19:22

Honour and loyalty
build team...
they promote unity..
that brings blessing!

4. Champion influence

“Every person influences
other people....”

Rick Warren

“Jesus calls us to live as
Kingdom influencers.”

“For where your treasure is,
there your heart will be also.”

Matthew 6:21

In the little and the large...

Holding on to the
 privilege that is ours!

Holding on to the reality that
 everyone of us matters...
 what we do matters...
 and how we do it matters!

What is meant to set us apart?

We are called to be a “Nothing matters more” team!

$$HP + CP = MI$$
