

Watch the Leader Talk - Matt Jones video then use these questions for a team/group discussion.

How well do you know your local neighbourhood?

What are the key characteristics and needs of people around you?

If your church closed tomorrow, would the wider neighbourhood care?

What can you do to direct the ministries of your church so that they also can serve the wider community?

What local needs can your church address as a way of learning to show the love of God to others?

What does it mean for us to reflect the hope and love of Jesus, and be His hands and feet in our local neighbourhood?

What cultural barriers exist in your neighbourhood that prevent people from connecting with your church community? How can you creatively address this?

What key partnerships and friendships could your church develop with local like-minded organisations in order to support your neighbourhood together?
